ULTRA CORNER

The "Run O' Month on March 21st was well attended. Because of the ***Black Dog Ultra Run*** on April 4th, most of the participants opted to do short. For those who were there, I was pleasantly surprised that there had been a significant amount of trail improvement in the last year. The trail has been recently cleared and log bridges have been put in place. One in particular is a log span with handrail over the creek just before the midway forest service road. As I write this I am unclear as to who to thank for all the work. Maybe Boy Scouts? I will try and find out.

The Wednesday afternoon track workouts have been temperily suspended. Good idea; bad planning. It seems that the track is used as a soccer field on our appointed day and admission to the stadium in \$2.00 per person. I will get a schedule of activities from the school district and hope we can do track workouts in May.

ULTRA TRAIL SERIES

With the Wild Hog Double Loop, the 1998 UTS comes to a close. We had some surprises in three of the categories. Bill Laster was crowned KING O' THE TRAIL while Carrie Dupriest won QUEEN O' THE TRAIL. For the age groups: Randy Davidson was MASTER'S KING AND Pete Ireland repeated as SENIOR'S KING. Lou Peyton retained her SENIOR'S crown.

The first race of the 1999 series will be the Midnight Mountain Run later part of the summer. If any one has a suggestion about the series, I'm open to anything written down. Example: Longer runs, shorter runs; more trail, less trail, more races; less races, etc.
